

The Breckenridge School District has regularly scheduled breaks during its normal school year. These breaks occur when school is not in session or in recess. During these breaks, the district provides you the assurance, in good faith, that you will return to work in the same or similar position at the completion of the break or recess. This district will notify you, in writing, if conditions should change and we are unable to provide you with reasonable assurance of re-employment following a break.
