November 9, 2020

Huskie Nation,

Thank you for your continued support of Breckenridge Community Schools. The goal of our school during this time is to offer face-to-face instruction for our community. We will continue to do so unless we are directed otherwise by the state, health department, or as long as our staffing will support it. With the rise of COVID-19 cases in our community and across the state, Breckenridge Community Schools used today as a day to gather information and make a determination of the staffing needed to support continuing face-to-face instruction. We also needed time to contact those affected by our recent positive case.

Currently, we do have the ability to continue face to face instruction. **Classes will resume with face-to-face and virtual instruction on November 10th.** However, we also know that COVID-19 cases cannot be forecasted and being prepared for the possibility of all virtual instruction is a reality. We will continue to monitor the situation and ask for your patience and cooperation during this difficult time.

As always, communication about positive COVID-19 cases will be provided via Power Announcement, Facebook, and our COVID-19 dashboard on our school website.

Sincerely,

A handwritten signature in black ink that reads "Wade Slavik".

Wade Slavik, BCS Superintendent
